

Illinois PTAC at the WBDC Workshop Series

with guest speaker - Anita Ponder

Your growth is our business.

Contract Compliance and Management

Attend this workshop and walk away with a better understanding of your performance and management responsibilities on government contracts. We will discuss the requirements for performing a “commercially useful function” and the reporting requirements of the City of Chicago, Cook County and State of Illinois. Topics include:

- What agencies require when determining whether a business has performed a commercially useful function
- Recent M/W/DBE fraud case studies and penalties
- Reporting requirements by primes and M/W/DBEs
