

# Breakfast Briefing

**Please join us on Wednesday, May 2, 2007 for a breakfast briefing featuring the newly revised *New York Construction Manual, 2nd Edition*, co-authored by Bob Rubin and Sarah Biser.**

A panel of lawyers will discuss default, termination, adequate protection, preferential transfer, lien priority, and the automatic stay under the Bankruptcy Code. The seminar will focus on issues facing owners, developers, sureties, contractors and sub-contractors when a party to a construction project considers default, termination, or bankruptcy. Lawyers attending this event will receive 1.5 NY MCLE transitional credits.
