

# *To Catch a Thief:* Rounding up Rogue Employees

Wednesday, May 16, 2007

## Who Should Attend

This program is targeted for HR managers, in-house counsel and Security/IT officers.

## Program Description

This briefing is designed to provide you with strategic ways to protect your intellectual property and trade secrets. In this briefing, you will learn:

*How to protect your confidential information and trade secrets and what to do if an employee takes them.*

**Michael Elkon**, Associate,  
Seyfarth Shaw LLP

*How to keep your intellectual property secure, internally and externally.*

**Richard Rimer**, Associate  
Seyfarth Shaw LLP

*How to detect and investigate employee computer theft of confidential information, trade secrets, or intellectual property.*

**J. Frank Grindstaff, Jr.**, CPA, CISA, CIA, EnCE  
Southeast Computer Forensics

This briefing will conclude with a panel discussion with experienced representatives in the field of trade secrets, intellectual property and IT security issues.
