

Stephanie Gowan

Vice President, Marsh
Investment Advisor, MMA Securities, LLC

CURRENT RESPONSIBILITIES

Stephanie works as a Client Executive in the Seattle office serving the Northwest. She is responsible for delivering the full suite of Marsh McLennan services. In her role, she is tasked with coordinating resources, problem solving, developing creative market strategies and proactively managing risk.

EXPERIENCE

Stephanie started her career in financial services over a decade ago with CIGNA Healthcare as a Group Sales Representative working with mid to large size employers. Over the past fourteen years, Stephanie has spent her time in client facing roles both developing new accounts and providing ongoing client service.

She has a diverse background in both insurance and financial services having consulted on retirement plans, employee benefits programs and risk management services. Her comprehensive background allows her to understand and advise organizations holistically.
