

# Consumer Fraud Class Actions

Consumer fraud class actions have become a multibillion-dollar headache for consumer brands and have increased exponentially for the last five years across all jurisdictions. Consumer fraud allegations pose the risk of enormous financial damages, injury to brand reputation, and loss of key business relationships and assets; they also divert valuable time, management focus, and resources away from core business objectives.

## WHAT SETS US APART

**Understanding Your Legal Demands and Business Needs.** Seyfarth has developed deep subject-matter skill to ensure our clients receive not only excellent litigators, but also a firm that understands its client's business and can provide strategic insight. Our attorneys have handled hundreds of cases defending consumer fraud class actions in myriad consumer fraud litigation in both state and federal courts.

**Industry Know-How.** It is essential to have proactive counsel and a multidisciplinary team on your side. We represent businesses in state and federal consumer class actions, spanning all industries, including retail, food service, grocery & convenience stores, shipping & logistics, data analytics, automotive, health care & pharmaceutical, travel, hospitality & entertainment, consumer financial, and legal & professional services, among others.

**Innovative Delivery.** Our attorneys support clients with strategic case control from the beginning of the suit to the end. We defend industry clients nationally against putative class and single-plaintiff consumer fraud actions involving advertising and labeling claims, deceptive trade practices, data collection, pricing practices, telemarketing, rebate policies and e-mail marketing campaigns. We have a proven track record of quickly digging into the facts and creating a comprehensive defense strategy to successfully defeat or resolve these matters in the best interest of our clients. Our innovative approach is a key metric of our success.

**Commitment to Excellence.** We are strategic, fast-acting litigators who argue effectively and persuasively. We understand the need to achieve results in the most practical and effective manner possible. Seyfarth continues to make a significant investment in our advanced delivery platforms, which enable us to achieve litigation efficiencies for our clients. We also have broad experience working with litigation support personnel, both inside and outside the firm, in order to streamline the litigation process and make the most effective use of resources.

Our attorneys regularly speak and publish on developments in consumer fraud class actions, and counsel clients on regulatory compliance and litigation avoidance strategies. Visit Seyfarth's **Consumer Class Defense Blog**, which provides perspectives and timely developments on consumer fraud litigation and regulatory activity.
